

Dear John,

Please find the attached two files - a statement and a revised PPT. The statement was edited by my old friend, Richard Enos - a former English teacher at our university and now lives in Toronto. He will help us to edit writings we will produce.

So this is what I tried to make before I pack the luggage. If you think they are OK, please send them to Ricky. I have 12 hours before my flight, and can check emails from time to time. Sung.
