

Dear John,

This is a quick report. All essays including Marc Simmons are submitted.

John Peponis with Chen Feng and James Park (Georgia Tech), Marc Simmons (FRONT Inc.),
Rowan Moore (The Observer), Peter Winston Ferretto (The Chinese University of Hong Kong), Julian Worrall
(The University of Adelaide),
Meta Berghauer Pont with Lars Marcus (Chalmers University of Technology),
Neville Mars (MARS Architects), Kyungmin KIM (Seoul National University), Winy Maas (MVRDV)

The graphics designers are working on the panels and the publisher, SPACE, is working on the catalog.

Please find attached files. Some red panels will be changed to white. Some titles, headings, and captions will be edited.

We are getting close where we are heading.

Best, Sung
