Dear Peter,

SPACE Magazine is working on the layout and design of our catalog. We would like to include 2 or 3 images at your essay. I thought about some from your book. Do you have the image files that have permissions for other publication from the photographers? We need at least 300dpi resolution when printed about 15cm by 15 cm.

We are getting close where are heading.

Best, Sung

공간에서 카탈로그 막바지 작업 중입니다. 원고에 삽입한 이미지는 해상도가 낮아서 새로운 파일이 필요합니다. 마지막 건물 섹션 이미지는 적당하지 않은 듯 하고, 앞의 나머지 4셋트의 이미지 파일(300 dpi 이상)을 공간과 저희에게 보내 주실 수 있는지요?
