

Dear Prof. Meejin Yoon,

Hello, I am Sung Kim at the Department of Architecture of the University of Seoul. I am curating the exhibition for the Korean Pavilion this year. Jaehoon LEE told me you will be in Venice during the preview period. We would like to invite you to the opening of the Korean Pavilion, 3pm in May 26. The reception will be held at Querini Stampalia from 7:30 pm. Our theme is "The FAR (Floor Area Ratio) Game: Constraints Sparking Creativity." Please let us know if you can drop by.

Best regards,
