

Dear Peter,

Did you start installing already? As the issues of refuge are changing in many directions, I am interested in how the German Pavilion will portray them. The opening of the Korean Pavilion is 3pm, May 26. When is yours? I am sure you will drop by your neighbor. Do you plan any post-VB event, which I am thinking of? Can DAM and ARKO (Arts Council Korea) organize together something like Europe-Asian Cities Roundtable?

Best, Sung
