

Dear Richard,

I need your help to make banner titles for 4 artists. Please find attached the images. Each artist name (in large and bold) is on the top of banner. I want to replace them with new titles, because the purpose of this section is to show artists' perspectives on the FAR Game (not artists' names). Using the text of Section 4, please help me.

These are the current titles of their works.

Seougeun KANG: [Their Houses \(not Other's Home\)](#)

Seung Woo BACK: [not yet](#)

Yeondoo JUNG: [Building Recollections](#)

Kyungsub SHIN: [Everyday Architecture, Scrutable Landscape](#)

Are these proper expressions as titles?

My alternative titles are (we cannot change the titles of their works, but we can make our own banner titles)

Seougeun KANG: [Buildings and Builders of Anonymity](#)

Seung Woo BACK: [Capturing Thousands of Multifamily Houses](#)

Yeondoo JUNG: [Accumulated Memories of Lives](#)

Kyungsub SHIN: [Heterogeneous Backdrops of 36 Buildings](#)
