

Dear Richard,

Thanks for understanding. The procedure for payment is more cumbersome and tougher than we thought. A question. Do you have the receipts for your air ticket and hotel, whose total amount is more than 1,000,000 Korean Won. If that is not the case, we have to find another way to pay you – making another contract for consulting and etc between you and us – in addition to editing fee. I hope you understand we use taxpayers' money and I am sorry that I could not let you know in advance. Best, Sung
