Prof. Li Xiangning

Room B218, College of Architecture and Urban Planning

Tongji University,

1239 Siping Rd, Shanghai,

China 200092

Dear Prof. Li Xiangning

It was a great pleasure to meet and talk to you at the roundtable in Gulangyu.

Hope the book, The FAR Game, helps you to understand the front lines of the architectural battles in Korea.

Let's stay in touch.

Very best,

Sung Hong KIM
