

Dear John,

I would like to remind you the deadline (October 27th) of manuscript for a special issue on the Korean Pavilion, at ARCHITECTURE, the AIK periodical (Architecture Institute of Korea, <http://www.aik.or.kr/english/index.htm>). As I mentioned, ARCHITECTURE is widely circulated both online and offline in Korea.

I invited 13 contributors - 5 co-curators, 3 participating architects, 2 art curators, 2 academics and you to this issue. Most of them visited the Pavilion.

Can you make it? If you need more time, please let me know.

Best, Sung
