

Dear Ricky,

Thank you for inviting me to an intriguing conference. I am happy to attend and listen different voices for urban futures, and hope to share the urban and architectural issues in Seoul, which we dealt with at the Korean Pavilion.

I am planning to arrive in Venice on July 12 and leave on July 16. It would be wonderful if a three-day pass (from July 13 to July 15) for both Arsenale and Giardini is provided.

Thank you and look forwards to seeing you again.

Best regards,
Sung Hong KIM
