

Dear Jongik Kim!

here the programme I prepare for Your stay in Germany. I want to bring You in contact to artists and groups, working in public space outside of galleries, museums, in context of open nature, in social fields. I think interesting for You are not only the results, but also to meet the artists/organisers and get information about the working process, structure of organisation, participation of other artists and common people, relationships to the public, to the community and to institutions, financial supports...

I propose concentration to few, but very various places, and prepare meetings with few, but very various projects:

1. Dessau 22./23.6.- 27./28.6.

accomodation: I can offer You a place to sleep in my working room, where I also live. But better for You will be the guest house of Bauhaus. So You can rest and have a room for yourself. There are flats with kitchen, bathroom and 3 sleeping rooms, very cheep for German conditions.

You alone: 1 night/25 Euro. If Your friend from Berlin or Okyohn Lee want to stay with You in Dessau: every person in the flat 15 Euro/1 night. Please offer this to Your friends and give a message to me, how many days and persons. Soon I have to make reservation! Okyohn Lee would like to come to Dessau, if she is still in Germany!

If You arrive in Dessau You get 2000 Euro cash. Did You get the contact?

2. Hamburg (big city, many artists, scenes, projects, museums, galleries) 28.6.-1.7.

by train 56 Euro. Accommodation: simple place to sleep without payment in a place of friends (Hotels are expensive).

3. Berlin for some days after 1.7.

By train 42 Euro. Okyohn Lee pold me You have friends in Berlin. So You will make there Your own programme with the many museums and galleries.

I have to go 1.7. to Dessau, because 2./3.7. I have to go to another place to a conference.

If You have no accomodation at Your friends in Berlin, I can organise a simple place to sleep without payment, by my friends.

After 4./5.7. I am free again. I can come to Berlin and visit with You my artist friends, galleries...

We could go from Berlin 5./6.7. to the town Neuruppin (by train one our).

The artist Rupprecht Matthies work in Neuruppin since 4 years in a complex project with the inhabitants. Rupprecht Matties we will meet before in Hamburg. He will give us information about Neuruppin project and decide Youself, You want to go to Neuruppin.

Also You are kindly invited to come again to Dessau after 4.7. From here we could visit artist friends living at the countryside – interesting persons and beautiful places.

Please write to me e-mail (to Johanna) to Kiez. I will get it next day. I do not want to live with computer, but i use computer in the office of the social-cultural centre Kiez.

Today I give You only this information about dates and costs.

If You would like to know more about the artists/projects You will meet in Dessau and Hamburg, please ask and I will give You more information.

Best regards

Johanna
